JOBS & SKILLS WA

Jobs & Skills WA is the program through which the State Government prioritises its investment in vocational education and training (VET) to support skills development and training.

Vocational education and training (VET) gives you job ready skills and knowledge with industry-focused courses and hands on learning to set you up for a great future. Training through the Jobs & Skills WA program is more accessible and affordable for eligible Western Australians as many courses in industries with high job growth are subsidised, half price or even FREE!

ENTRY REQUIREMENTS

There are no entry requirements to study this qualification, although students must be able to provide a Unique Student Identifier (USI) and identification.

Students must also complete a short Language, Literacy and Numeracy (LLN) assessment to assist VTS in identifying a learner's eligibility and individual needs.

FEES

The Student tuition fees are indicative only and are subject to change given individual circumstances at enrolment. Additional fees may apply such as resource fees and other fees.

Fees are charged in accordance with the DTWD Vet Fees and Charges Policy.

DELIVERY

The delivery of this course includes 16 classroom-based face to face training, practical training and supported self-study and research.

ELIGIBILITY REQUIREMENTS

Am I eligible for subsidised or fee-free training?

Eligibility depends on your visa type, residency status and how your course and student category are classified by the WA Government under the VET Fees and Charges policy. These can change over time and are assessed at enrolment based on your individual circumstances.
